Dear Friends,

Greetings of peace and love to you from all God's people of St. Jude's Shrine.

This appeal presented to you comes with the promise of God's abundant blessings to those who give to Him who has given all.

***"Then keep the feast of the Lord your God, with an offering freely given to him from the wealth he has given you."***  
***Deuteronomy 16:10***

St. Jude's Parish was bifurcated from St. John the Evangelist Church in 1991 after the new church building was constructed and inaugurated on May 1<sup>st</sup> 1991. The parish and the Church building stand testimony to the tireless efforts and enormous sacrifices of many who by their hard labor of love realized a dream to build God a holy temple.

The parish of St. Jude as you have witnessed over the years, has grown in leaps and bounds and welcomes people from all over for worship. Today there are about 1200 registered families in the parish. It's time for the parish to recognize this enormous growth and facilitate the birth of a new parish. The Archdiocese of Bangalore looking to the future, in 1995 had purchased a plot of land to construct a church in Boopasandra. After years of prayer and eager waiting the final plan for the construction has been approved and the Archbishop has formally agreed to start construction of a new Church. It is with great joy we acknowledge that God has heard our prayer and has led us to this momentous time.

It is now our duty to realize our dream. We come to you to make this possible by your active collaboration and support. Please keep the Boopasandra Church Project in your prayers and lend your hand to raise an edifice worthy of our God that will stand to witness our love for Him and our pride to the people around us.

The estimate without considering the escalation cost that will be added on as time progresses for the building will be Rs. 4 Crores. The Archbishop has generously agreed to foot half the cost and requested us the mother parish, to raise the other 50% of the cost. We have no doubts in your generosity or your deep love for God and his Church, with this assurance we place this appeal before you to contribute generously to achieve our target and build for God a worthy dwelling place. To this end we have formed a Committee to assist in collecting the necessary funds for this project. We have opened an Account with Federal Bank, R. T. Nagar Branch. The A/c. No. 14720100032207. You may draw your donation/contribution cheques in favor of BOOPASANDRA CHURCH BUILDING FUND. Every amount received by cheque or cash will be acknowledged by a official signed receipt.

Thanking you in advance for your generous help.

In Jesus and His Mother Mary

The Parish Priest and parishioners of St. Jude's Parish
